ACTI Cosmetology

Limitless opportunities.

Cosmetology

You've seen the hairstylists to the Hollywood stars on television.

Wonder how they turn straight hair into curls?

Or bleach dark hair to Marilyn Monroe blondness?

Even style a wig into a work of art?

At the Arkansas Career Training Institute's cosmetology program, you'll be on your way to appreciating beauty by mastering a variety of styling tricks from dyeing hair to giving a perm.

Each student will complete a comprehensive study of hair care and style along with product application. Students will also learn how to set up and manage a hair salon, maintain a client list, order and stock supplies and run a clean, hygienic, well-organized business.

The program follows the same outline required by the Arkansas State Board of Cosmetology. Students must complete 1500 hours of training and

pass the State Board of Cosmetology examination for certification as a licensed operator.

Length of program:

An estimated 12 months with completion of 1500 hours – about seven hours daily.
