# Arkansas Adult Education • Increase Your Opportunities!

Improve your reading, math, and workplace computer skills - the right answer for you!

## Learn to Read

- ★ Reading opens doors.
- ★ The best time to learn to read is NOW. Make it your goal!
- ★ Take it one step at a time. First step, call today!

## GED® Test

- ★ Begin today to *Learn More. Earn More.*
- ★ If you're 18 years of age or older, you are an ideal candidate for the GED® program.
- ★ Passing your GED® Tests can make a world of difference in your life – a better job, promotions, or a higher standard of living.

## English as a Second Language

- ★ Flexible schedule.
- ★ Convenient days for you to work and learn.

## Workplace Education Programs: Retraining and Retaining Employees

- ★ We work with employers.
- ★ We provide training to improve your computer literacy and job skills for the workplace.
- ★ The cost? It's FREE!
- ★ The benefits? A better job or advancement.
- ★ Call the Adult Education Center in your community and find out about a program near you. *Learn More. Earn More.*

**Adult Education and Literacy Programs serve more than 50,000 students every year.**

**Approximately 80% of all students who take the pre-test and post-test show improvement in their academic skills.**

**More than 7,000 students passed the General Educational Development (GED®) Tests last year.**

**Take the first step and call today!**

**1-877-963-4GED(4433)**
