

### PCG Terms

**Student Tracking** – sometimes called the gradebook, this is where PCG Education displays the students in a particular class and their grades for any assessment or assignments within a grading period

**Program Tracking** - electronic documentation for special programs such as RTI, ESL, LPAC, 504, etc.

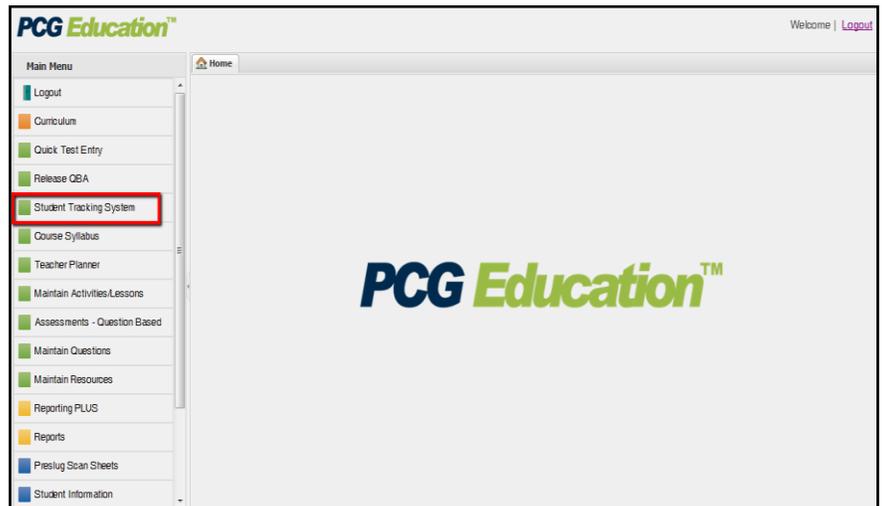

**Rubrics** - online forms used to enter student information for special programs.

Student information may be accessed in a variety of ways.

One way is through the **Student Tracking** screen.

From the **Main Menu**, click on the **Student Tracking** button.

Select a class to view.

This shows a Gradebook-type view of a teacher's classes. To access specific student information, click on a student's name.

Student information data is provided to PCG from the school district.

Depending on the data provided, this screen provides vital information such as language, birth date, city, state, and country of birth and district enrollment data.

Student login and password information can also be accessed here if students are using the system.

Student's schedule, grades, contact information, guardian, attendance, behavior, demographic, and/or special program indicators, can also be accessed by selecting the corresponding tab.

If historical data has been provided by the district, select a year to view this information.

Additionally, this screen serves as a 'portal' to assessment data for students. The **District Assessment** button will display the history of district assessment data for that student, including objective mastery data for each test.

The same **Student Information** screen can be accessed from the **Main Menu** by clicking on the **Student Information** button, and then clicking on the name of a student from the navigation tree.

To search for a specific student, click on the magnifying glass icon.

To return to the student list in the navigation tree, click the folder icon.
