

Total Infant Care Package Simulators (FACS)

Human Services Cluster:

(Child Care Guidance, Management & Services POS and core courses Child Development, Parenting Courses; Family and Consumer Sciences POS)

Infant simulators offer real-life experiences that address substance abuse education, prenatal education, child care skills, infant safety and CPR, and Shaken Baby Syndrome. Each simulator provides all teaching curriculum to make each simulator an educational experience, including powerful, hands-on activities, complete curriculum, and supplies to cover crucial aspects of prenatal and infant care. These simulators will give hands on experiences with many classroom standards. Though the online correlation they will align with Family and Consumer Sciences, Child Care Guidance and Management services, and Orientation to Teaching Programs of Study. Strategies for calming a baby or coping with a crying, inconsolable baby are included. Other child development, child care techniques and/or parenting skills can be demonstrated and discussed with the use of these baby simulators.
