

Arkansas FCCLA
State Project

“Explore Your Horizons With Arkansas FCCLA”
2012-2013

Explore The Need In Your Community, State, And Nation With Arkansas FCCLA

Level One: Explore Your Community

**** Local Project:** A project chosen and completed by each individual chapter for your community.

Example: “Explore Hunger” – This could be a food drive to end hunger in your community.

**** District Project:** Your District has (3) projects that they may choose from. It is up to your District Executive Council to inform each chapter of the District project that they have chose at the pre-planning meeting.

Level Two: Explore Your State

****State Project –** Due to the overwhelming success of last year's state project, we have chosen the Arkansas Rice and Diaper Depot as our state project again.

To complete the State project your chapter must complete a project that benefits the Arkansas Rice (AND/OR) the Arkansas Diaper Depot. This can be in the form of a canned food drive, diaper drive, or monetary donations to either one or both of these depots.

Level Three: Explore Your Nation

**National Outreach Project (2011-2016)

The National Outreach Project benefits Share Our Strength. To complete the National project your chapter must complete a project that benefits AT LEAST TWO of the THREE components of the National Outreach Project.

1st Component – Share Our Strength (Fundraising)

2nd Component – March Of Dimes (Informative)

3rd Component –TBA

Don't forget to send documentation of all of the projects to our State Adviser, Suellen Ward, so that your chapter can receive recognition of the accomplishments through these projects!

State Officer Contact

If you have any other questions about the 2012-2013 Arkansas State Project, or FCCLA material please feel free to contact any of your State Executive Council Members.
