

To receive recognition at the state level, you must piece together the FCCLA puzzle.

Your chapter must complete one local, district, state, and national project.

Don't forget to send the documentation of all your chapter's projects to our State Adviser, Suellen Ward, so your chapter can receive recognition of its accomplishments through these projects.

With Arkansas FCCLA, you can piece together all of the needs in your community, state, and nation. Your chapter can complete all of the goals it sets!
