## ACCREDITATION STANDARDS

The Standards of Accreditation of Public Schools require that each school offer three programs of study in three different occupational pathway areas. For a program offered at a secondary career and technical center to be counted as a local district offering, students must be enrolled. During 2008-09, our records indicate the following:

NLR High School-East Campus offered 6 programs of study in 5 different pathways.

NLR High School-West Campus offered 10 programs of study in 9 different pathways.
