## ACCREDITATION STANDARDS

The Standards of Accreditation of Public Schools require that each school offer three programs of study in three different occupational pathway areas. For a program offered at a secondary career and technical center to be counted as a local district offering, students must be enrolled. During 2008-09, our records indicate the following:

St. Joe High School offered 8 programs of study in 7 different pathways.

Bruno-Pyatt High School offered 9 programs of study in 8 different pathways.

Western Grove High School offered 8 programs of study in 8 different pathways.

PCT of concentrators graduated 88.46%

Consortia/District Target: 93.80%
