ACCREDITATION STANDARDS FOR 2010-11

The Standards of Accreditation of Public Schools require that each school offer three programs of study in three different occupational pathway areas. If a program is offered at a secondary vocational center, students must be enrolled in the 2010-11 school year.

Greenwood High School offered 18 programs of study in 16 different pathways.

ACADEMIC SKILL ATTAINMENT

The academic attainment measure is based on the number of CTE concentrators who score proficient or advanced on the end-of-course Literacy and Geometry assessments. CTE concentrators are those students who have completed at least three units from a program of study in grades 9-12 and are leaving the secondary education system during the reporting year.
