**ACCREDITATION STANDARDS FOR 2010-11**

The Standards of Accreditation of Public Schools require that each school offer three programs of study in three different occupational pathway areas. If a program is offered at a secondary vocational center, students must be enrolled in the 2010-11 school year.

Lamar High School offered 10 programs of study in 10 different pathways.

**ACADEMIC SKILL ATTAINMENT**

The academic attainment measure is based on the number of CTE concentrators who score proficient or advanced on the end-of-course Literacy and Geometry assessments. CTE concentrators are those students who have completed at least three units from a program of study in grades 9-12 and are leaving the secondary education system during the reporting year.

Another factor in CTE skill attainment is the proficiency of all students tested during the year. During the 2008-09 school year, 38.29% of students tested scored proficient.

**GRADUATION**

PCT of concentrators graduated 96.00%	Consortia/District Target: 93.62%

The second is the number of seniors enrolled in career and technical classes compared to the number of completers. The state average in 2009-10 was 44.13%.
