

**SUMMARY OF CHANGES**  
**Arkansas Department of Career Education**  
**Secondary Technical Centers Special Policies and Procedures**

II. Finance, A. Funding

Addition of #7:

Centers may request a waiver relating to the Arkansas Department of Career Education (ACE) funding modification policy "centers receiving technical center aid with an enrollment exceeding 60 percent of the total enrollment from any one sending school will not receive funding for those FTEs over the 60 percent threshold." Approval to be exempt from all or part of this policy must be granted by ACE based on criteria established by ACE. A letter stating your justification for requesting a waiver should be sent to the Associate Director for Workforce Training. Waivers, which have been reviewed and approved by ACE, will be presented to the SBCE at the next scheduled meeting. Waivers shall not be effective until board approval and will be implemented the following funding year.
